

Massimiliano Rimaboschi was born in Florence in 1974 and is the founder of Studio Legale Rimaboschi based in Trieste (Italy). He graduated in law in 1999 from the University of Trieste. He has an Italian PhD in Maritime Law from the University of Trieste and a French PhD from the University of Nice Sophia Antipolis with a thesis in French on the methods of unification of maritime law and uniform interpretation. He is the author of several books and articles on maritime law published in Italy, France and England. He is a lawyer at the Trieste Court of appeals bar since 2002 and he is also admitted to the Supreme Court of Cassazione and Higher Courts since 2016. He has been teaching European transport law at the University of Trieste (2005-2008) and insurance law at the University of Udine (2021-2023). He assists traders, ship agents,

freight forwarders, shipowners, transport and logistic companies, P&I and insurance companies in all areas of maritime and transport law. He has a wide experience on litigation, court proceedings and arbitrations in with every aspect of maritime law, including cargo claims, charter parties and bill of ladings, ship's safety and pollution issues, including many cases of arrest of ships. He participated to the drafting of the heavy lift sea transport contracts for the lock doors of the new Panama Canal and to the drafting of other relevant contracts and agreements. In addition to trade and shipping, he also deals with matters related to a wide range of civil and commercial disputes such liability and damages in sales and services contracts, insurance and bank contracts, guarantees, civil fraud, liability in tort etc.

He is also a well experienced criminal defense lawyer for issues related with maritime transport, commerce and customs breaches.

He was a speaker at the 42° Conference of the Comité Maritime International (CMI) held in New York on May 2016 and at many other national and international law conferences.

Member of:

International Working Group of the CMI on the Reformulation of the Lex Maritima.
Board of the Trieste committee - Italian Maritime Law Association.

Languages: Italian, English and French.
